INDIANA UTILITY  
REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On April 2, 2003, Petitioner herein filed with the Commission its "Motion for Confidential Treatment of Financial Data," which appears in the following words and figures, to-wit:

[H.I.]

The Motion requests confidential treatment of financial data to be submitted in support of the relief requested in the above caption. The Motion was supported by a "Sworn Statement of Gary Joseph," also filed on April 2, 2003.

The Presiding Officer, having reviewed the information contained in Petitioner's Motion and Affidavit, finds that there is a sufficient basis for a preliminary finding that confidential procedures are appropriate and should be followed concerning the financial information to be submitted by National Brands, Inc. d/b/a Sharenet Communications Company. Accordingly, the Petitioner should *hand deliver* to the Presiding Administrative Law Judge the documents described, under seal with the Cause number of this proceeding, and marked as confidential, and such information shall be treated as confidential on a preliminary basis, in accordance with IC § 5-14-3-4.

IT IS SO ORDERED.
